A Dialogue with FR. JULIÁN CARRÓN on  
Faith, Truth and Freedom

**OCT 11, 2017 at 6:30 PM**

**University of St. Thomas - Jones Hall**

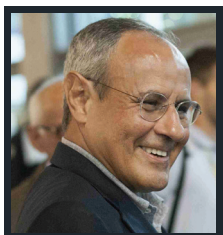

3800 Montrose Boulevard Houston, TX 77006

In his newly released book *Disarming Beauty*, Fr. Julián Carrón offers a broad analysis of the pressing questions facing today's society: the challenges of cultural polarization, the purpose of education, the difficulty of motivating young people, and developments in family life. Is it possible to find common ground in an increasingly polarized world? Is there a way for a true, wide-ranging dialogue between people from different backgrounds? What is the role of education in modern society? Is it possible to regain a sense of wonder and desire in front of life?

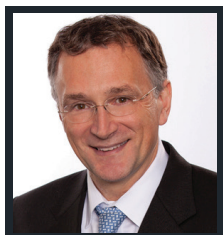

Crossroads Cultural Center and Communion and Liberation invite you to a dialogue with author Fr. Julián Carrón and distinguished speakers, with opening remarks by Dominic A. Aquila, Vice President for Academic Affairs, University of St. Thomas.
